### Non-discrimination Policy:

The Elijah School admits students of any race, color, national and ethnic origins to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in admissions policies, scholarship and loan programs, and athletic and other school-administered programs. The Elijah School reserves the right to select students on the basis of academic performance, religious commitment, lifestyle choices, and personal qualifications including a willingness to cooperate with the Elijah School administration and abide by its policies.

## **VISION**

We emphatically believe that all people are created by God and therefore have value and purpose. In light of this truth, we embrace the non-traditional learner and envision a generation where all students can attain the goal of becoming well-educated, passionate, intentional young people who live in healthy relationship with themselves, their faith, and their community.

## **MISSION**

The Elijah School is an educational community that exists to prepare high school students with the knowledge, skills, and integrity to meet the challenges of today's culture. Understanding that a segment of individuals learn best using non-traditional methods, we equip our students to maximize their full potential through an interactive, comprehensive, and cooperative program.

### **PARENT'S INPUT ON HOW THE STUDENT AND SCHOOL FIT TOGETHER:**

Having read the Elijah School vision and mission statements, please explain how you feel this fits with your student's goals and learning style:

I understand that the next step in the admissions process will be an interview of the student and parent(s) and testing for the student, which will be followed by a meeting to set educational goals for the coming year, if all parties feel that this is a good match. If the Elijah School does not seem to be a match for the student, the academic advisor will make every attempt to refer to another school.

Admission interview and testing fee: \$300.00 (payable at the interview)
